

Imagine

Easy-to-use Serger

FOR THE LOVE OF SEWING

The Imagine features these 10 serger patents:

Jet-Air Threading™

Threading a serger has never been easier than with the revolutionary Jet-Air Threading from Baby Lock. With just one touch of a lever, thread is sent through the tubular loopers. There are no thread guides, no struggling, and there's plenty of extra time to serge away!

Automatic Thread Delivery System

Set the Imagine to the type of stitch you want and serge. The Imagine will deliver a balanced stitch on any fabric with any type of thread. It even goes from one fabric type to another without skipping.

Tubular Loopers

Imagine no exposed thread and no thread guides. Baby Lock has made that wish come true with tubular loopers that can be threaded in any order. This eliminates threading mistakes and protects the thread, giving you more freedom to serge than ever before!

Looper Drive System

This exclusive Looper Drive System prevents loopers from becoming misaligned or out of time, reducing the possibility of major looper damage. This protects your machine from needing repairs, allowing you to serge worry free!

Advanced Knife Driving & One-Way Clutch System

Baby Lock created a knife system with a larger cutting bite that allows thicker fabrics to be cut with ease and increased visibility.

Full-Featured, Single Unit Differential Feed

Baby Lock took the differential feed mechanism to a new level by adding a single unit feed dog mechanism. This ensures stronger feeding as well as more consistent gathering on all fabrics.

Dial Adjustable Stitch Length and Automatic Rolled Hem

Stitch length can be easily adjusted on a Baby Lock serger using one dial. This dial includes an Automatic Rolled Hem setting that will retract the built-in stitch width finger for a rolled hem finish.

Fabric Support System

Baby Lock's Jet-Air sergers include a Fabric Support System to keep stitches flat and balanced, no matter what speed, fabric or stitch you choose. The built-in stitch fingers actually move with the knife blade, adjusting the seam consecutively with the cutting width.

Vertical Needle Penetration

While most machines use slanted needles that push and damage fabric, Baby Lock's needles are set vertically and sew directly up and down. This exclusive feature protects your fabric and prevents needle deflection.

Needle Threading System

Baby Lock has put a lot of thought into threading a serger, but they haven't forgotten about the most important part - the needles. This system locks the needle threader in place for a quick and easy threading at the touch of a lever.

Imagine with Jet-Air Threading

If you could imagine the features you want most in a serger, you would almost certainly find them in the Baby Lock Imagine. It delivers the convenience and innovation you would expect from a Baby Lock serger and much more. Jet-Air Threading has you serging in a breeze while the Automatic Thread Delivery System and differential feed remind you why you love to serge.

For the Love of Sewing.

Technology Features

- Instant Jet-Air Threading™
- Automatic Thread Delivery System
- Full-Featured Differential Feed:
 - 2 to 1 Ratio – gathering
 - 3 to 4 Ratio – stretching
- 4/3/2 Thread serging

Convenience Features

- Built-in needle threader
- Electronic foot control
- Snap on, multi-purpose presser foot
- Built-in accessory storage
- Built-in light
- Built-in ribbon/tape guide

Advanced Serging Features

- Rolled hemming with 3 threads
- Flatlock stitching with 2 or 3 threads
- Dial adjustable stitch width: 1.5-7.5mm
- Dial adjustable stitch length: 0.75-4mm
- Dial adjustable built-in rolled hem
- Heavy-duty cutting system
- Side thread cutter
- 1500 stitches per minute

Other

- Household Needle System
 - HAx1SP
 - 130/705H
 - ELx705CF
- Electronic drive system
- Weight: 16 pounds
- Warranty (25 yrs. Limited, 10 yrs. parts, 5 yrs. electrical, 1 yr. labor)

Optional Accessories

- Beading Foot (BLE-BF)
- Blindhem Foot (BLE-BLHFS)
- Clear Foot (BLE1AT-CLF)
- Cording Foot 3mm (BLE-CF3)
- Cording Foot 5mm (BLE-CF5)
- Elastic Foot (BLE-EF)
- Flat Sole Foot (BLE-FSF)
- Lace Applicator Foot (BLE-LF)
- Ruffling Foot (BLE-RF)
- Optional Inspirational Guide - Available from your local Baby Lock Retailer
- Optional Gold Standard Comprehensive Care Program
