FOR THE LOVE OF SEWING

FOR THE LOVE OF SEWING

Introducing the Ellegante³

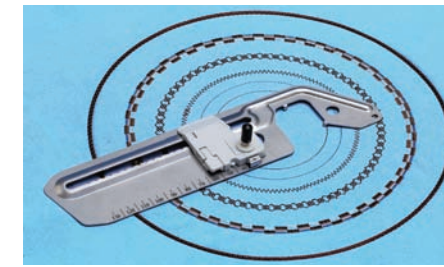

Chic, stylish, and completely updated, the Ellegante³ will help you add embroidery to everything from curtains and sheets to dresses and jackets. The Ellegante³ includes multiple designs and fonts including exclusive Nancy Zieman designs and with the LCD color display your designs will come to life before you ever finish a stitch. Plus, with the on screen editing feature, you can explore your creative side by putting a unique spin on your collection.

In addition to making your work look exquisite, the Ellegante³ includes many features to make your life easier. The quick-set, top-loading bobbin, automatic On Request™ Needle Threading System and auto-trimming of jump threads help make embroidery simple.

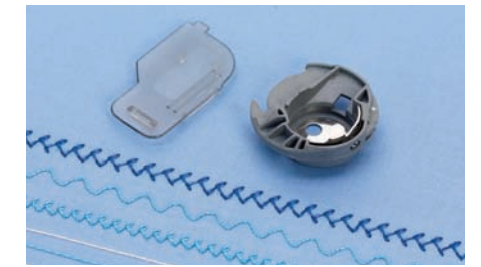

The Ellegante³: even its name is sophisticated.

Automatic Needle Threading
Quickly and easily change embroidery threads with the On Request™ Automatic Needle Threading System. Simply push a button and the Ellegante³ does the rest, threading the needle in only 4 seconds. Switching out threads is so convenient you'll never have to limit the number of colors in your designs.

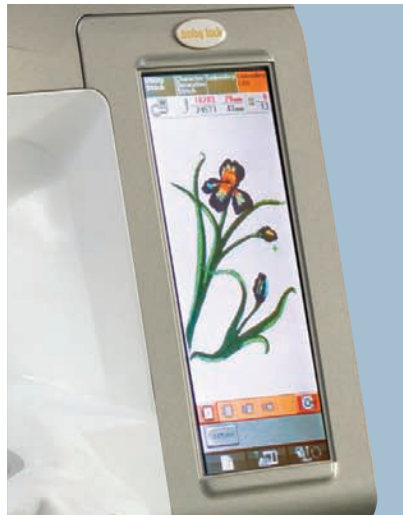

Circular Sewing Attachment
Stitch in a perfect circle with this easy-to-use attachment. The Circular Sewing Attachment can be used with any forward-feeding utility or decorative stitch. Use the braiding and cording feet to add more dimension to your projects.

Bobbin Work Features
Use the Baby Lock bobbin work case to make the bobbin work capabilities of your machine simple and fun. Explore a variety of decorative and utility stitches from an entirely new angle, to create fascinating textured projects.

Key Embroidery and Sewing Features

The Ellegante³ Sewing & Embroidery Machine

LCD Color Touch Screen
The Ellegante³ allows you to see more than ever before. The 3-3/16" x 8-3/8" (4,096 colors) LCD screen shows you colors, design size, multiple editing features and more.

Nancy Zieman Embroidery Designs
Expand your design library with the Ellegante³'s collection of 492 built-in designs, including 32 designs from Nancy Zieman, which can't be found anywhere else.

Embroidery Editing On Screen
Turn your design into exactly what you had in mind. Resize, reposition and preview designs before sewing them out.

Connectivity
Whether you use a memory card, external flash, or CD drive, the Ellegante³ has you covered. Also, with direct connect to a PC you can update your machine's software in a snap.

Quick-Set, Top-Loading Bobbin
The top-loading bobbin case lets you focus on your sewing. It's jam-proof because the top-loading bobbin keeps the thread right where you need it.

Quickly Switch from Embroidery to Sewing
Some projects require you to both sew and embroider. Now, with the flip of a switch, you can embroider or sew with the embroidery unit on. No need to take off the embroidery unit to restart the machine.
