

# BABY LOCK *Coronet*

*16-inch Longarm Quilting Machine and Frame*

FOR THE LOVE OF SEWING

## Introducing the Latest Duet in Longarm Quilting

The new Baby Lock Coronet longarm quilting machine opens up worlds of possibilities for first-time longarm quilters. As busy moms with little space to spare, we appreciate the included 5' frame that fits easily into our smallest studio space. And yet, the Coronet has a huge 16" throat that lets us have complete control of our quilts, beginning to end.

With the Coronet, we can compose all the free-motion swoops and swirls we've always wanted to do, while the built-in stitch regulator keeps our topstitching looking polished. It's the star of our sewing room, and at an affordable price. We know you'll love it, too.
